

Twin Hickory Elementary School Song

We are the Trailblazers of Twin Hickory and
we're very proud to say,
Our school is so great that we don't hesitate
to come to school every day!

Our teachers are fun and they are the ones
who guide us through everything.
Whenever we're stuck or down on our luck
they help to brighten up our day.

We are the Trailblazers of Twin Hickory and
we're very proud to say,
We get up each day ready to learn and play
and conquer each new day!
